

Cat's Away, Mice A Play Exercise

Suggested messages.

The suggested messages below are not mandatory. Feel free to make up your own. Since the Cat is Away, the funnier, the better.

The only requirement is they must be TRANSCRIBED on to the ARES Version ICS 213 Message form with all the pertinent information.

Since this is an exercise, please do not use the "EMERGENCY" precedence nor include any wording that may be mis-construed by a casual listener that an actual emergency is occurring.

Instructions: Pick a suggested message below and insert it on to an ARES Version ICS 213 Form. Make sure all the applicable boxes are filled. If you are missing information, please feel free to adlib. If you need an ARES Version ICS 213 form, please point your browser to this address and download a copy: <http://www.sacvalleyares.org/contents/ARES%20Documents/forms/Fillable%20ICS-213.pdf>

If you have any questions on how to fill-out the form, please do not hesitate to ask AI6JB, KG6SJT, or any other ARES member.
