

Hams in the Hills – McKinstry Peak 2.0

- When:** Saturday May 13, 2023 0830 departure from Recreation Park.
- Rally Point:** Auburn Recreation Park Near the club's Coffee and Donuts in the Park shelter.
- Trail Boss:** Jeff K6BSY jeff.sims929@gmail.com Notification is helpful so we can anticipate your arrival before departing the rally point. Drop a line and I'll add you to the email list.
- Objective:** Our objective is to get as near McKinstry Peak as we can. We attempted this on our last trip and were thankful to make it to Ice House Road. It is difficult to predict how much snow we will be contending with on the 13th, but we will go as far as we can.
- Food:** You are on your own for food & drinks.
- Frequencies:**
- | | |
|---------------|--|
| Road chatter: | Tac-1 (details below) |
| En route | W6YDD (details below) |
| Repeater: | |
| On the trail: | Tac-1 (details below) |
| APRS: | APRS.fi for active vehicle locations on event day |
- Avoid chatter on W6EK unless participating in the Coffee Break Net.**
- Map:** A map showing the target location/area is on the following page.
