Jennifer,

I wanted to personally extend my sincere appreciation to you for taking the time to drop by our Field Day event. I hope you enjoyed your visit as much as we enjoyed having you... and I also hope you'll continue to visit us in the future. The ARRL Field Day is always held on the fourth full weekend of June.

Our YouTube personality, Bob K6UDA released his Field Day summary video today, and I'm pleased to point out that you have a starring role! You can see his video here: <https://youtu.be/QCMANYI1XvA>

Again, on behalf of the Sierra Foothills Amateur Radio Club (SFARC), thanks.
