Gary,

Brian asked if I had contacted you regarding chairs/tables. When I was part-timing at a local magazine I did have access to such. Unfortunately I no longer do. I suggested contacting Vereans, Clty (Auburn), Carol, KP4MD (ARRL).

Secondly... Our Press Release had been sent out to all media contacts and will again be sent in early June. I will contact each person to invite them to the site, ask for coverage and cross my fingers that we get some support. (Hi)

Attached is the PDF.

Thanks,

Getting caught up on my emails - it's been a busy week.

Press release looks great, thanks for the copy, thanks for sending it out!

We'll do what we can with the tables and chairs... worse case, I figure we can "crowd source" and have everyone bring what they've got.
