President's Shack . . .

WoW! What a beginning for 1997! Twice in less than 30 days, SFARC members and other area hams had to be on alert. While the second set of floods did not make the same demands on our members as the first, you all stayed vigilant

President's Shack, Cont'd.

over another very long weekend. Great Job everyone! I sent your Kudos about the PG&E's electrifying presentation by the dynamic duo of Garry Sanchez and Chuck Messner. While I knew the roof of the doll house would explode, I was still awed at the force of the explosion.

The Rabbit Hunt that was canceled in January due to the Floods, will return this month. See the calendar. Many of us were disappointed--but the February one will be Terrific!

Have you noticed KC6LIX Jan and I are doing our best to prepare SFARC to be a premiere radio club into the year 1997 and beyond. We need your help. Call me if you can **a) donate** photocopying services or money to reproduce our newsletter and other materials, **b) donate** paper products, stamps, **c) donate** your time to help out in the garage sale, **d) donate** items for the garage sale, **e) donate** a Ham for the Ham hunt, **f) donate** paper products or food for the Birthday party, Ham Hunt Brunch, picnic and Holiday Party, **g) donate** money to cover the \$200 plus cost for "awards" that will be handed out at the April Birthday party and awards celebration, **h) serve as** a chairperson for any one of the following events: August Picnic, November Election, October White Elephant Sale or the Holiday party. Call if you can volunteer to set-up, cook, take down at this year's Field Day. **Make your club the most friendly and best around!**

Kudos and Appointments

KE6DJE Wayne Mikel for his SFARC work on emergency services communications with KC6LIX Jan and you all! Thanks also for being an alternate Net Control Station. PS: Kudos too for helping KC6LIX on the newsletter.

K6GKR Jerri and W6SUP Bob for donating \$35 to the club for the upcoming Holiday party. Thanks to for the fine VE efforts.

TJ Hossli for his excellent communications and scanning of the 1997 Floods. TJ we need You! Study hard and pass your ham test.

AC6RD Dave Pellonini for loaning KC6LOE Greg and KC6LIX Jan a rig to get the 10 Meter Net going again. We will take care of it for you and will fix it if anything goes wrong!

Melissa Mikel for providing proof reading assistance on the newsletter and volunteering to be secretarial assistant. Study hard and pass your ham test soon!

KE6TEL Garry Cunningham for volunteering to be a Net Control Station.

K6HLO Doc Metke for being there when we call for the Radio Doc. The Huttula's FT-101 died again.

AC6SG Ralph and AC6SF Bev McCune for loaning KC6LIX there newsletter drafts! You made the first 1997 edition look good!

K06TH Greg Dolkas for doing the satellite report on our 2-Meter net and at Club meetings.

N6SHD Dave Hund for helping to put a HF antenna.

Club Meeting Minutes **January 10, 1997**

(KC6LIX - Jan Secretary/Treasurer) President KC6LOE called the meeting to order and announced the meeting format. Members made self introductions. WB6EDR Dick Wilkens let us know that he would not be attending club meetings for almost two years. He will be traveling the U.S. There were approximately 12 visiting members out of the 39 people who attended. (Later KC6LOE learned five people attended our old meeting place the Fire House and never made it to the new site.) KC6LOE made a special presentation and gave awards to the eleven out of the 20 SFARC members who provided emergency services communications. Those who were not in attendance received their certificate by mail. The highlight for the evening was the special program presented by Garry Sanchez and Chuck Messner of PG&E. They used a special table top model of a street, house, post hole digger, power lines, gas lines, etc. to demonstrate the safe use of gas and electricity. The presentation was excellent and exciting. A model doll house was filled with gasoline fumes. It exploded with dramatic effects. The meeting was adjourned at 9:37 p.m.

Board Meeting Minutes **February 2, 1997**

(KC6LIX - Jan Secretary/Treasurer) President KC6LOE called the meeting to order at 4:00 p.m. Only three officers were present thus business could only be discussed but no votes taken. Officers present President KC6LOE Greg, Secretary /Treasurer KC6LIX Jan, Board Member W6LOE Chuck. The following issues

were discussed: a) The resignation of Board Member W3PMP Bob Greenslade. b) The likely appointment of KE6MJC Fred Campbell. c) The pending legal actions should further harassment continue to SFARC members. d) The temporary appointment of a Secretary Assistant Mliessa Mikel. e) The location of future Board meetings. f) the cost of ARRL insurance and a pending refund for being overcharged. g) ARRL Emergency Services Expectations of SFARC members. h) proposed by-laws amendments. i) status of Dues Renewal. j) Net Control Function. k) activity budgets needed from the President. l) SFARC fiscal accounts and expenditures. m) SFARC April Birthday Celebration and Awards. Thank you KA6ZUU Gail for the hospitality and chocolate cookies! Say Gail don't forget your dues! The meeting adjourned at 5:30 p.m.

Sunshine Report

Well Wishes: KA6KUT Dave Peden reports that KK6GC Rosie's health continues to decline. She barely weights 60 pounds. Eating is difficult for her. Your cards and notes to Dave would help him greatly. N7EUQ Roger Hedgpeth is fighting off an infection in his leg. He has to take it easy for a while. We all know that isn't easy for Roger to do. N7EUQ, be a good fellow. We could need you at anytime to work a shelter or rescue critters. Betty, XYL of WA6HYO Dick Lund said Dick is having on-going minor strokes. His hearing is also deteriorating. Dick immensely enjoys and will continue to handle the duties of Net Controller and a Net Control Station. Betty is providing assistance. Keep up the good work Dick!

Thank you both for your loyalty to the Club. Our thoughts and prays are with them both as you work through this medical challenge.

Travel: WB6EDR Dick Wilkens wants us to drop him a line over the Internet "wb6edr@juno.comm". He would like to hear from us as he travels the U.S. Write him folks.

Silent Key: KB2DLE Henry Sparks SFARC's 1996 Vice President passed away February 7, 1997 at 3:00 p.m. Henry learned he had prostate cancer just a few months ago. Our heartfelt sympathies to KF6CXO Theresa Hansen and Henry's surviving family. Your sympathies can be sent to 3615 Bell Road, Auburn, CA 95603. W6TSS "Maury" Maurice Sayer of Auburn passed away a couple of months ago. His was truly a OM. Yet he remained young at heart for most of his 91 years. Maury was born in April 25, 1906. He was a pioneer member of SFARC. A very well respected gentleman of the airways and the Auburn area. KA6KUT Dave Peden visited Maury regularly. While his passing was mentioned at our meetings and on the Club's 2 Meter net, it failed to be published in this newsletter. Our apologies to those who have awaited this proper announcement.

ARRL Recognizes SFARC Hams who Helped during Floods

At our next meeting SFARC hams and those of other areas that worked with KC6LIX Jan to staff shelters, OES operations, Red Cross Centers, and animal rescues will be recognized at the February 1997 club meeting: Honoree's include:

**Rabbit (Transmitter) Hunt
 February 22, 1997**

(Roseville, K6GKR, Jerri Metke) An exciting, fun filled, skill building experience is promised for the February 22, 1997 Rabbit Hunt. In the evening from 7:00 p.m. to 9:00 p.m. SFARC members are encouraged to join this pre-spring hunt. Meet at W6SUP's home at 511 Oak Street, get prepared and go find the tricky R-A-B-B-I-T. Cash prizes for first, second and third place will be awarded. If you haven't done a rabbit hunt before and if you don't have hunt equipment, you should still call W6SUP Bob at 783-7610 for information on how you may

ARC Partnerships

Have you ever wanted to check out another club? Wonder how SFARC compares. Well thanks to KC6LIX we have a chance to find out. Jan has prepared a handout for us on seven area clubs. It lists names, addresses, meeting dates, newsletter names, cost of dues, and net times. You can join Jan and schedule a visit to our fellow clubs. We are not encouraging our members to go elsewhere or to have multi memberships. Yet some do. Jan must visit each club as part of her role as the Placer County ARRL/ARES Coordinator. So she thought she would share the benefit of her research. Call KC6LIX 786-3530.

Board Member Appointment

(KC6LOE Greg) February 4, 1997, Fred Campbell was appointed as a Board Member by President KC6LOE. He fills the position vacated by W3PMP Bob Greenslade. Bob could not make the Sunday Board Meeting schedule. So with great regret Bob I accepted the resignation. Fred comes with experience and a willingness to face the challenges of a Club being "re-engineered" for the future. Listen for Fred's regular check in on the 2 Meter net and his active participation in this years Club events. Lend Fred your support for whatever activities he handles!

SFARC's 2 Meter Net - Up-dated Format and Annual Schedule

(WB6RBE Dave Jenkins and KC6LIX Jan)
Have you noticed? The 2 Meter Net has some extra reports added as a regular part of the in-

formation shared. We have a regular Satellite report by KO6TH Greg Dolkas, a VE Report by W6SUP - Bob Metke, a School Report by AC6QP Lewis Tuttle, a Sunshine Report by K6GKR Jerri Metke, special Emergency Services Coordinator reports by KE6DJE Wayne Mikel and...more. We hope to regularly hear a DX Report. Officers and event Chairpersons have been asked by President KC6LOE Greg to regularly check into the net. So the conversation is picking up. While Jan is away at school on the Thursday, she has been hearing what occurred. She gave her congratulations to all and enjoys hearing the new net members. Following is the new schedule of net control stations for 1997.

1997 2 Meter Net Control Station Schedule

Note: This schedule is subject to change. Net Control Stations (NCS) are responsible for getting one time alternates for themselves. Contact WB6RBE Dave Jenkins 791-7974 or WA6HYO Dick Lund 885-3190 when the NCS is unable to fulfill his/her duties for an extended period of time. Dave or Dick will arrange an alternate. Also, unless you need the net check list changed, do not send in a copy of the completed net report. As needed, Nets are being voice taped and transcribed as needed. Dave or Dick will change the Net script, list, and annual schedule as needed.
