numerous requests for community service communications. Most of these requests are on the same weekend, June 27, 28, and 29, 1997. You all are responding admirable to the demand. Nevertheless, if you have a ham friend who has been thinking about joining our club and serving as community service communicator, please let me know. Now is the time to join and be an active member. XYL Jan - KC6LIX, and I will be at Field Day 1997 and will miss those of you volunteering for the Jubilee and other functions. Our debriefing and sharing of stories is planned for the SFARC's July meeting. Stay cool...

SFARC's FISCAL REPORT

As of May-9, 1997

Beginning Balance (2-7-97)	\$1,176.26
Deposits	\$1,704.28
Expenditures	\$1,881.61
Cash for Change	\$ 40.00
Check Account Balance	\$ 998.93
Ending Balance	\$1,038.93

Thanks to all of you who helped out at our fund raisers and contributed money to the newsletter, ARRL Flag, and other events. We brought our budget back from less than five hundred dollars to a healthy \$1038.

Board Meeting Minutes March 31, 1997

Meeting came to order at 7:00 P.M. at the Round Table Pizza in Loomis. In attendance were President KC6LOE, Greg Huttula, Vice President KA6KUT, Dave Peden, Treasurer KC6LIX, Janet Huttula. Board of Directors were N6SHD, Dave Hund, KE6MJC Fred Campbell, and W6LOE, Chuck Eder and his XYL KA6ZUV, Gail.

First on the agenda was the Club's garage sale. The treasurer KC6LIX, Jan reported all the were not in from the sale. Than the sale grossed around \$400.00 expenses not determined. Awards for the April meeting were discussed. With 2 awards being the Club's hats. The Club Breakfast at the Huttula's earned \$61.50 without expenses taken out.

Sister Club in Long Beach is coming together with ours. There are lots of ideas going around. Field Day 97 is coming along. KE6DJE, Wayne Mikel is working with the Red Cross to see if they will join us this year.

Vice President and Field Day Chairmen KA6KUT, Dave Peden says Bob Bockmen is coming to Nyack with SFARC's antenna's. Dave talked about who is coming and where they are to park. KC6LOE, Greg will check in everyone and assign locations. It was agreed to have a sign up sheet for Field Day 97 passed around at the May and June meeting. By-Law changes were discussed. Changes mentioned were

- 1) Vacancies - refilling of vacant office in case of death.
- 2) Elections - Candidate qualifications must have no less than 1 year membership in SFARC.
- 3) Membership - only elected officers shall act as an agent of SFARC.

Help to clean up the repeater site was next on the agenda. All of the officers agreed to help. KE6MJC, Fred Campbell brought an article about Hams. He also suggested we set up a booth at the Roseville Fair.

Board Meeting Minutes *Continued...*

KC6LIX, Jan said she talked with the Club's insurance provider to find out why there was an increase in the Club's insurance. The insurance company reply was that will give the Club back \$70.00 and cover the Club with a full 12 month policy.

Jan talked with KD6CMX, Shannon Parrish and KM6KV, Bill Parrish the Club's picnic chair family. The Parrishes said the cost for the food and supplies for the picnic would be \$160.00. The board suggested using left over items from the Birthday and Awards celebration and field day to degree this amount if possible. The meeting adjourned at 8:20 P.M.. Minutes by N6SHD, Dave Hund

☀ Sister Club Up-Date.....

We have a sister amateur radio club, the Associated Radio Amateurs of Long Beach (ARALB). We can contact ARALB members over the airways and by e-mail. I frequently chat with President WD6FET Jim Lewin, and Treasurer, KC6ECO Carol Lewin, by e-mail. We are planning a 20 or 80 meter every other month net. As soon as the final plans are arranged, I will let you know. Any one wanting to volunteer as SFARC Net Controls for the sister club contact, please let me or WD6FET know.

FOCUS ON

Richard Kuepper
WA6RWS

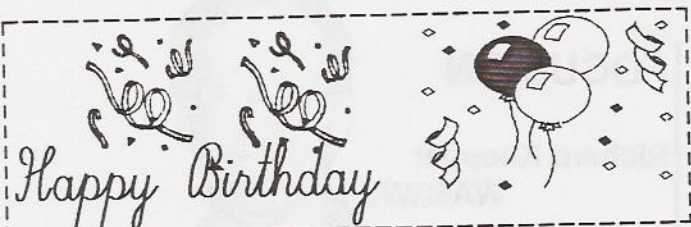

Richard Kuepper, WA6RWS has been a member of Sierra Foothills Amateur Radio Club for 3 years and currently holds the office of Secretary. He has been a ham since 1969. Richard and his wife Judy reside in Meadow Vista for the last 4 years. Richard is a Program Manager for the State of California. Department of Consumer Affairs since 1978. Prior to moving to Placer County. Richard resided in West Covina, California, east of Los Angeles. Prior to working for the State, Richard was a radio technician for Motorola. He was one of the first technicians to introduce two way radio to professional car racing. Customers included Mario Andretti, Joe Leonard, and Al Unser. Richard is a past member of the Associated Radio Amateurs of Long Beach, (SFARC's Sister Club) between 1979 and 1982. He is also the past president of San Gabriel Valley Radio Club. Other hobbies include computers, fishing, boating, and electronics. Give Richard a call sometime on 2 meters, 440, or 220.

**CLUB TEN****UPDATE****TEN METER NET IS ON**

28.415 MHZ, Sunday Evenings at 7:30 P.M.

This net is growing with more members and guests added weekly. If your a novice or Technician, you can talk on 28.415 MHZ.. The "Club Ten," ten meter net has been lots of fun for me to get going for the Club. This is where I made my first HF contact, although it was with my almost neighbor AC6RD, Dave Pellonini it still was an HF contact. If you have not tried out HF or its been a long time since you were on HF I urge you to give us a shout. HF is where the fun really begins. If you were with us in January you'll find our format has changed. Its less formal and more talk. Sunday May 11 we had 9 HF operators check in. AC6RD, Dave Pellonini, KA6LNC, John Tiernan, AC6QP, Lewis Tuttle, W6PWI, Burce Middleton, KC6LIX, Jan Huttula, KF6BVU Tim Woodburn, W7GE, John Webb, N6RYO, Dale "Whitey" Huntington, and myself KC6LOE, Greg Huttula. Conditions are still sluggish for any long distance. After four months on the air its still hard to hear KO6TH, Greg Dolkas in Auburn. Long time HF operators tell me "you never know about 10 meters one minute there is nothing on HF, and the next minute your picking up South America". So if your not QRL tune us in and check us out. Don't let your QSB's get you. I look forward to hearing you on the "Club Ten." (KC6LOE Greg Huttula)

SFARC'S 38TH BIRTHDAY &

AWARD CELEBRATION

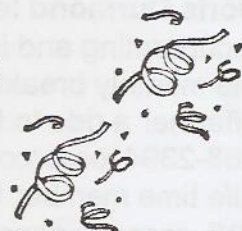

I hope everyone enjoyed themselves as much as I did at the Club's Birthday and Award Celebration.

The party started with dinner at 7:00 p.m.. There was so much great food for all, and with Lasagna being the main course. Janet and I went home stuffed. "Thank You" to all the members who brought their *special dish* to share with everyone. Following dinner the

Club recognized the SFARC's members that for many years donated their time and or money un-selfishly. Award recipients have the Club's most Sincere Gratitude. Without your Dedication and Commitment in all areas there would be no SFARC. **"THANK YOU."** The members received awards:

73's Greg, KC6LOE

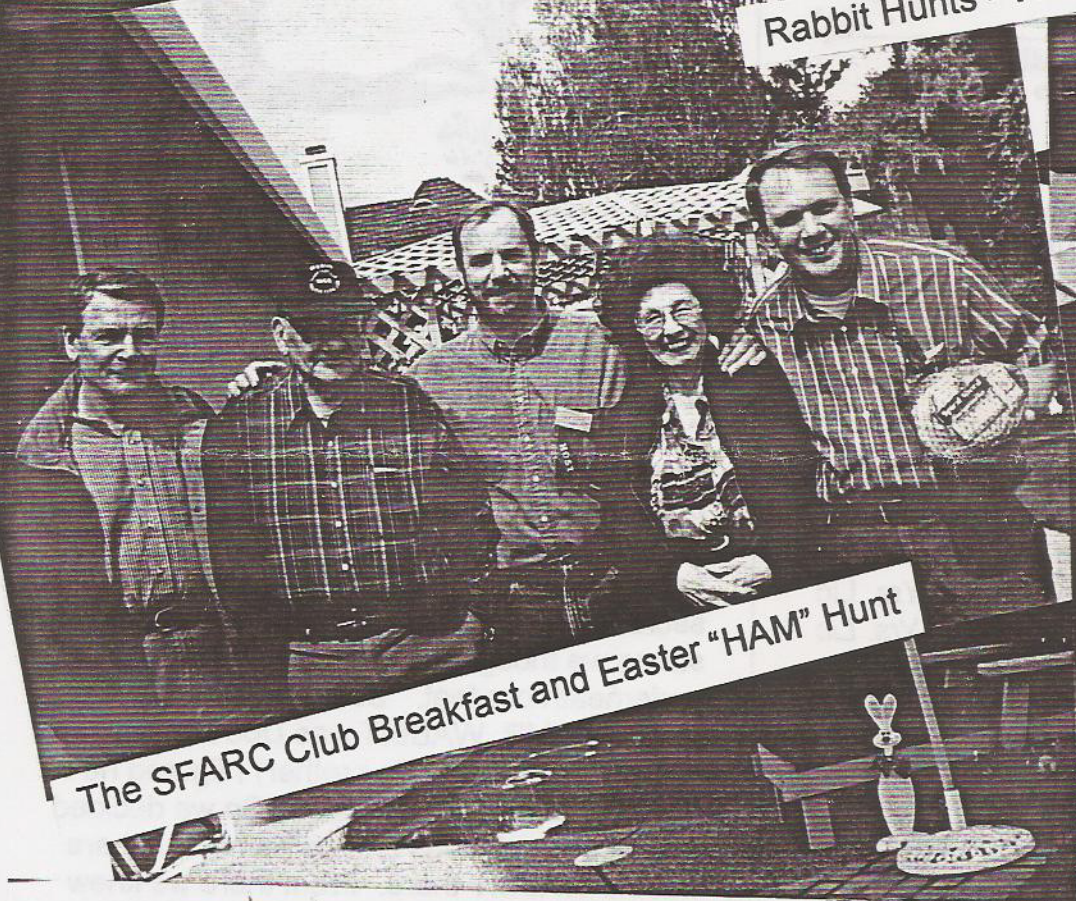

THAT DARN WABBIT HUNT

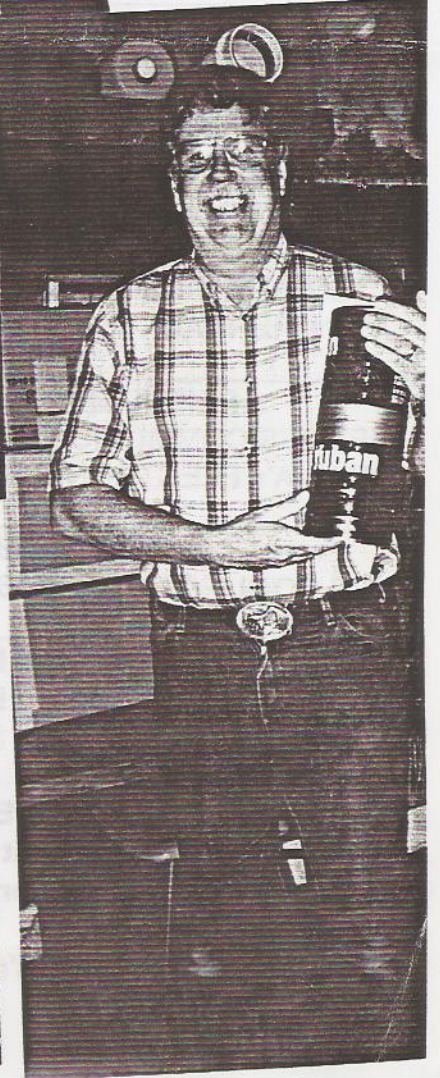

It was a warm evening when the hunt began. Dave Hund, N6SHD, Jan Huttula, KC6LIX, and Greg KC6LOE were the first team to leave W6SUP's house in search of the WABBIT. Following us were Jerry Metke, K6GKR with Dave Jenkins, WB6RBE "Mr. Doppler." Gary Cunningham, KE6TEL and his CANS and his family were the last to leave the WABBIT's burrow. The first team Dave, Jan, and Greg went to Greg's secret place to begin the search. "JAN WAS DRIVING". From Greg's secret place the WABBIT's signal was so strong we thought he had dug a burrow right underneath our feet. Because we knew the WABBIT, (MR. WABBIT was Doc Metke, K6HLO, Jan, KC6LIX's brother) I figured he might try to pull a fast one us. So we decided to check the obvious and go home, but there was no WABBIT there. From there we knew we needed to triangulate on the WABBIT's location so we took off to another secret place in Roseville. After setting up at the next site we found we had either lost the signal or we had too much interference. With the time ticking by and the hounds getting very anxious. Dave and Greg through their stuff in the van. Then gave pointing directions to the driver in the direction they thought they should go. Greg commented later "WOW" were we wrong. Once again we got to see a great deal of Roseville probably more than we will ever care to. What we didn't know is *THAT DARN*

Rabbit Hunts - Winners and

The SFARC Club Breakfast and Easter "HAM" Hunt

THAT DARN WABBIT HUNT...

WABBIT would change antenna's, and turn off his signal for long periods of time. This made it very hairy for the three of us to try to triangulate on his location. It was getting very late. We had no signal. The frustration level was rising. This is about the time Wayne Mikel, KE6DJE joined the hunt. He called us on the 440 repeater. After talking with Wayne we all decided to team up to get *THAT DARN WABBIT*. Dave, Jan, and Greg went back to Greg's first secret place Yea, we started all

over. Wayne said he had a strong signal around the Roseville Hospital, but he had to leave the hunt. He had to work. So here we were on top of a hill overlooking the beautiful south side of Roseville with no signal. "W-O-O-O-W" were we anxious. We only had fifteen minutes before the hunt was over. So

we took another vote and decided to take a drive towards Roseville Hospital. That's when we found the WABBIT's burrow. K6HYO, Doc wasn't even transmitting at the time we found him. We had found the little hairy K6HLO and Ed De Wayne, a long time family friend and came in third place. KE6TEL, Gary Cunningham, family, and the CANS came in first place! They found the WABBIT very early in the evening. We found them resting at W6SUP's burrow. Ask Gary about the *special* coffee cans he used to find the WABBIT. It had something to do with the special blend of coffee. K6GKR, Jerri Metke with WB6RBE, Dave Jenkins, Mr. Doppler were very close to KE6TEL. They came in second. Join us in July for the next WABBIT Hunt. Bob Metke, W6SUP schedules the Hunts. There are \$\$\$ prizes for first, second, and third place. So come on out of your burrow and hop in to it in July! Your Personal Invitation...to Field Day 1997

June 28 and 29 1997

Field Day allows us all to test and improve our amateur radio skills under simulated emergency conditions--jammed airways! People and places you must contact!

It is a fun, social event for all who participate. Non-hams get a chance to learn about ham radio. Members of the public learn how amateur radio operators can help them during an emergency. The Club gets the opportunity to make "points" and be in ARRL's QST and known as a viable link in the world of radio communications. Here is the schedule of events:

June 27

- 3 pm** **Field Day Set Up** Crew begins to set up camp, equipment, antennas. Generators are tested.
- 6:30 pm** **Dinner Bell Rings** The Crew munches out at the Nyack Cafe
- 7:15 pm** **Finish set up touches** are completed; problem solving the unexpected begins.
- 9 pm** **Camp Fire Meeting** and Strategy Discussion
- 10:30 pm** **Nighty Night**

June 28

- 7:30 am** **Breakfast - Nyack Cafe or your own arrangements** We still need a camp cook!
- 8:30 - 10:59** **Last Minute equipment set up and greeting new arrivals;** answering the public's questions
- 11 am** **CQ Field Fun Day begins...**the contest on...Awards Judges begin their observations
- 6 - 7:30 pm** **Pot Luck Social Hour for All who Attend - *Special Drawings Prizes***
- 9 - 10 pm** **Camp Fire Talk** for those who need a break
All Night Serious Field Day members Stay Up all night!

June 29

- 7:30 am** **Breakfast your place or Nyack Cafe!**
- 11 am** **CQ Field Fun Field Day ends -- Awards and Final Drawing for Prizes - Lunch - Nyack Cafe!**
- Noon - 2:00 pm** **Field Day Take Down - Fond Farewells** Until Next Year- Listen to the results on SFARC's 2 meter frequency

Sound like Fun to You -- Bring your tent, RV, Trailer and come join us. W6RFF will be the Field day call. CQ Field Day W6RFF...CQ Field Day W6RFF...

...SFARC Needs YOU!!

Call KC6LOE Greg, KC6LIX Jan at 786-3530 or KA6KUT Dave Peden at 878-2708 or Just Show Up!
