Board and Meeting Minutes

IRLP

From the President's Shack

**Richard
WA6RWS**

The March meeting was just great and it was good to see all of you that came to the meeting. Mary Ann had a great presentation and everyone learned a lot. Thanks to Bob and Joe for handling the raffle. Also thanks to Hillary for working the snack bar and Bill and Shannon for providing the cookies.

Also thanks to Jim for repairing the 2 meter receiver at the repeater site so quickly. He hasn't sent the bill yet, but I know his rates are reasonable!!!

The April meeting should be very good. Eldred sure has lined up some great speakers.

Just a reminder that the MS walk in Auburn will be on April 13th. We still need some more operators. Thanks to those who have already volunteered.

Remember to let me know or Fred if you would like the newsletter sent to you by email. It will save us the cost of postage and copying.

Field day is on the horizon and so it is time to clean the cobwebs off your portable stuff so you can join us at field day at Nyack. Looking for volunteers for a multitude of jobs to make field day a success. Looking forward to seeing everyone at the April meeting.

73,

Richard, WA6RWS

Secretary

**Steve
KF6OCE**

(Ed. Note: Steve has begun supplying minutes for both the regular club meetings and the Board meetings. We're a bit behind, so we have two of each for this issue. Minutes are normally published without editing, however with four meetings, these have been adjusted in places, without changing the meaning, to conserve space.)

SFARC Board Meeting 2002-01/04

Members Present

Name	Call
Boeckman, Bob 2002 Board Member	WA6ULL
Cunningham, Debbie 2002 Board Member	KF6LXN
Cunningham, Garv 2002 General Member	KO6RT
Diridoni, Matt 2002 Board Member	KC6RUO
Faulkner, Steven 2002 Secretary	KF6OCE
Hedoneth, Roger 2002 Board Member	N7TK
Hudson, Mike 2002 Treasurer	KG6EFK
Kuepper, Richard 2002 President	WA6RWS
Sylvia, Joe 2002 General Member	KF6OQY
Wilkerson, Eldred 2002 Vice President	KD6ZSL

19:00 Outgoing Secretary Joe Sylvia explained the duties of the club secretary to myself and then surrendered all Club Secretary property to me (Steven Faulkner).

19:14 SFARC President Richard Kuepper called the Board meeting to order. It was held at Round Table Pizza in Loomis Ca.

Board Member Roger Hedgpeth moved and Bob Boeckman seconded to affirm SFARC member Mike Hudson as the 2002 Treasurer for which he volunteered for when no one else made themselves available for the position. Motion carried unanimously

Vice President Eldred Wilkerson then briefly gave an outline of his agenda for speakers to appear at upcoming general membership meetings. All agreed that the program presented by Eldred was an aggressive and welcomed one.

Member Debbie Cunningham raised a question about the availability of the Auburn Library for future SFARC meetings. Vice President Eldred will verify the reservation status of the library.

Board Member Bob Boeckman made a motion, seconded by President Richard to pay the meeting room space to the City for the entire year. All present voted to approve the motion.

Outgoing 2001 Treasurer Debbie Cunningham filed the treasurers report for 2001 and surrendered all SFARC Treasurer property to Mike Hudson.

Member Gary Cunningham surrendered the key to the club's post office box to President Richard and outgoing Treasurer Debbie Cunningham surrendered her key to Mike Hudson.

Board Member Bob Boeckman gave a presentation on the "Make A Wish" program. He described how used TV sets and VCR's (even not working) could be used to benefit this program. He then made a motion to have SFARC sponsor this pursuit as a club outreach program. Member Debbie Cunningham seconded it. Motion carried unanimously.

Member Gary Cunningham gave a presentation on ADOBE Acrobat and how it could improve internal club communications and the club newsletter, and its ability to be emailed. Vice President Eldred moved that the club purchase Adobe Acrobat for \$60.00 for the club and to allow

Gary to purchase it for the club. Member Roger Hedgpeth seconded the motion. Motion carried unanimously.

President Richard asked for any further business. Hearing none, he asked for a motion to adjourn. Member Roger Hedgpeth so moved, seconded by Vice President Eldred. Motion carried unanimously. Meeting adjourned at 20:05.

Respectfully submitted this 7th day of January 2002,

Steven E Faulkner, KF6OCE
SFARC 2002 Secretary

SFARC Board Meeting 2002-02/01

Members Present

Name	Call
Boeckman, Bob 2002 Board Member	WA6ULL
Cunningham, Deb 2002 Board Member	KF6LXN
Cunningham, Garv 2002 General Member	KQ6RT
Faulkner, Steven E. 2002 Secretary	KF6OCE
Hedgpeth, Roger 2002 Board Member	N7TK
Hudson, Mike 2002 Treasurer	KG6EFK
Keunner, Richard 2002 President	WA6RWS
Wilkerson, F R 2002 Vice President	KD6ZSI

18:43 Club President Richard Kuepper, WA6RWS, called the board meeting to order and asked for the treasurer's report.

Treasurer Mike Hudson, KG6EFK, gave a verbal treasurer report and will file a copy with the secretary at the next general club meeting.

He then shared a letter that he received, sent by the owner of The Radio Place. It was an announcement that the store is up for sale and that the owner was quitting the business. Mike informed us that he received a letter notifying us that the club has hazard insurance. He will keep that letter in his files.

Mike will put together a budget for 2002 and present it at the next board meeting.

Vice President Eldred, KD6ZSL, presented a list of suggestions for speaker guidelines. He felt that the presentation given by Calvin Groom of the Salvation Army was an excellent presentation, but ran a little too long due to the speaker adding too much commentary to each focal point of his discussion. A copy of this guideline will be attached to these minutes. Eldred reminded us that Wayne Mikel KE6DJE would be giving the presentation for the general club meeting for February.

Richard, WA6RWS, suggested we change the starting time of the board meeting to 19:00 hours on the first Friday of each month. A general discussion was had and a decision was made to utilize the 19:00 hour start time but to remain flexible in case of future events that may cause us to change the meeting time on a meeting-by-meeting basis.

Richard, WA6RWS, asked the board members if they had any business. Debbie, KF6LXN, and Bob, WA6ULL

indicated they had none. Roger, N7TK, mentioned that we need to begin preparations for Field Day. Richard will ask for a volunteer at the next general meeting. If none is found, then Richard, WA6RWS, and Roger, N7TK, will act as co-chairmen of the Field Day exercise.

- Gary Cunningham KQ6RT will secure the generator from United Rentals.
- Bob, WA6ULL, and Roger, N7TK, will look into setting up
- Richard, WA6RWS, will secure permission from Grant Wells so that we can use the property at Nyack again.

19:30 Richard, WA6RWS, adjourned the meeting.

Respectfully submitted this 4th day of February 2002,

Steven E Faulkner, KF6OCE
Secretary

Minutes of Regular Meeting

February 8th, 2002

19:40 Club President Richard Kuepper, WA6RWS, called the meeting to order, and led the Pledge of Allegiance.

He introduced the club's officers, and then asked each attendee to introduce themselves.

Officers' Reports: Vice President Eldred Wilkerson, KD6ZSL, announced that DX news is on the Internet, and then gave a short propagation report.

Richard then asked the secretary to read the minutes of the last meeting. Rob Carpenter (call not known) moved and Bob, KD6WTY, seconded that the minutes be accepted as read. Motion carried unanimously.

Mike Hudson gave the Treasurer's report (a copy is filed with these minutes). Joe, KF6OQY, moved and Bob, KD6WTY, seconded to accept. Motion carried unanimously. (At this time we have 39 paid members, last year we had 70 total paid members)

Richard then announced that the last newsletter to be sent out to members who have not renewed their membership would be the February issue.

Richard then asked Gary Cunningham, KQ6RT, to introduce the prizes for tonight's raffle.

Old/Unfinished Business: None

New Business:

Joe, KF6OQY, suggested that we spice up the net. A suggestion was made to possibly have a raffle for those who check in. This will be discussed in further board meetings.

Joe then asked for more volunteers for the net control job. Casey McCartland, K6WJM, volunteered to join the net control operator's pool.

Joe suggested that the SFARC Club net on Thursdays begin at 19:00 instead of 19:30. A discussion was had and it was

decided to make an announcement at the next net and also in the newsletter to query what the general membership felt about the time change.

Birton Gilbert, N6UG, moved, seconded by Bob, KD6WTY, to have Richard Kuepper, WA6RWS, make the announcements on the net, and to inform the newsletter editor to include the possible time change in the newsletter for membership discussion.

20:03 Richard Kuepper WA6RWS called for a short break.

20:17 President Richard called the meeting back to order. He announced that the Speaker for the March general meeting will be Mary Ann Balthrope, KE6EST. She will discuss the Western States Endurance Run and the usefulness of ham radio to insure a safe journey for organized trek participants.

Vice President Eldred then introduced Wayne Mikel, KE6DJE, and Gary Willit, KB7QWC, as the evening's speakers on ARES preparedness. (Note: section coordinator is Dave Thorn)

21:00 Gary Cunningham began the raffle

21:14 Meeting adjourned. Attendance was 25.

Respectfully submitted on this 12th day of February, 2002

Steven E. Faulkner, KF6OCE

Secretary

Minutes of the Regular Meeting

March 8th, 2002

(Secy Note: Secretary Steven Faulkner, KF6OCE, was not at attendance at this meeting. Richard Kuepper, WA6RWS, took minutes. Thank you Richard for your outstanding work and double duty in my absence.)

Meeting called to order by club President Richard, WA6RWS, at 1935. Officers present, Mike, KG6EFK, treasurer. Absent, VP Eldred, KD6ZSL, had the flu and Secretary Steve, KF6OCE, was out of town. Directors Roger, N7TK, and Bob, WA6ULL, were present. Absent were Debbie, KF6LXN, and Gary KQ6RT, our raffle chairperson.

The Parrish's brought some cookies and Hillary, KF6NTY worked the snack bar.

Mike gave the treasurer's report and said we were still in the black.

Everyone introduced themselves.

Richard asked for volunteers for the MS walk on April 13th in Auburn. Eleven operators and two drivers are needed. Six members volunteered. Break was taken to buy raffle tickets.

After the break Mary Ann, KE6EST, spoke on the Western States Endurance Run and how ham radio interfaces with the run. She put on a great show and there were lots of questions.

Greg, KO6TH gave the satellite report when he claimed one of the raffle prizes. My apologies for not recognizing him during our regular meeting time for reports.

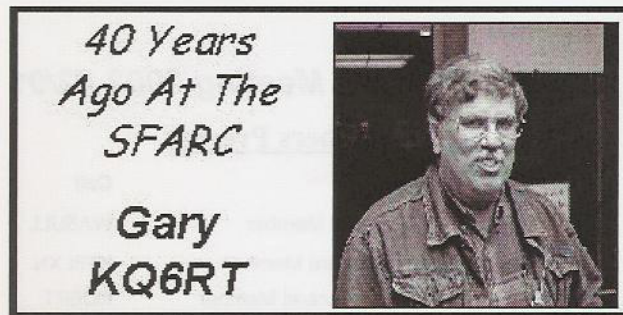

Meeting adjourned at 2100 hrs.

Richard, WA6RWS

Respectfully submitted on this 16th day of March, 2002

Steven E. Faulkner, KF6OCE

Secretary

Auburn, Calif.

April 14, 1962

8:25 P.M.

Meeting was called to order by Pres. Dick Lund, in the C. D. room at the Fairgrounds. Minutes of the previous meeting were read and approved.

Treasurer, Jim Carmen reported a balance on hand of \$159.64.

The club agreed to put up a 2 M station with George Lambert's Gonset LV and a 75 M station with Sage's gear, at the JACL picnic on April 15th.

A letter from the ARRL was read by Pres. Dick Lund regarding affiliation and about Field Day. Unfortunately, the club is unable to qualify with the required minimum 10 subscriptions needed, as of this date.

Jim Carmen volunteered to get the station license started before the \$5.00 fee charge date. Because of this the club constitution needed some amendments added and so Frank Carmen made a motion that officers meet the following Wed., April 18th to modify the by-laws. This motion was passed and it was also decided that the club buy the latest license manual.

After some Discussion on the need of a coffee pot it was decided that Frank Carmen and Lin Hunter get together and purchase one.

The club definitely desires to hold a Field Day and arrangements are to be

made immediately as to location, gear, etc.

A motion made by Jim Carmen that the club have a minimum of business and more work-out at the next meeting was approved.

Meeting adjourned at 9:40 P.M.

Respectfully submitted,
Sage Otow

2002 Meeting Programs

APRIL - QRP

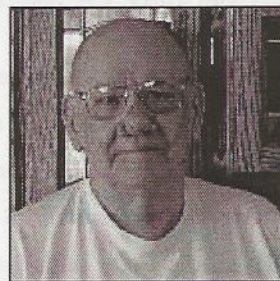

Bob Balthrope, KD6WTY, Tel: 1-916-682-9871, e-mail kd6wty@yahoo.com QRP presenter. Ask bob about QRP, he will tell you how to start, and transmit your radio signal around the world with a few watts. Would you like to build a QRP rig? Just ask Bob and all you will need a sardine can, or old aluminum pot (this will impress the wife like you are going to cook a pot of stew) at the same time ask for \$20.00 for cost over run, and open your junk box pull out some old radio parts, coat hangers, coil wire, etc.

(Ed. Note: This a "Tuna Tin-2" QRP CW transmitter constructed by Bob. He will likely have this, and other examples of his electronic skills in the QRP arena.)

(Greg was unable to write his column this month due to other commitments. He will return to orbit in May)

Coming Ham Events

Foothill Flea Market - 2nd Saturday of each month from March through October at Foothill College, Los Altos.

Livermore Swap Meet - 1st Sunday of each month at Las Positas College in Livermore, 7:00 AM to noon, all year. Talk in 147.045 from the west, 145.35 from the east. Contact Cliff Chiba, KF6EII, larkswap@usa.com

North Hills Ham Swap

The North Hills Radio Club will be holding it's annual ham swap on Sunday, May 19, 2002. The event is held from 0600 - 1200 PDT at Bella Vista High School, 8301 Madison

Ave., Fair Oaks, CA (east of Sunrise on the north side of Madison).

The raffle prizes will include (among others):

1. ICOM-270H dual band mobile
2. Uniden BC-80XLT handheld scanner
3. A pair of Motorola FRS HTs

Seller spaces (2-car stalls) are \$10.00 and parking is free for buyers. The NHRC will have coffee, donuts, soft drinks, and hot dogs on sale as well. Talk-in is on K6IS - 145.19 (-/162.2) and 224.400 (-/no pl). For further information, visit the NHRC at <http://www.k6is.org> or email nhrc@k6is.org.

(No news from Jerri, which is good news for us)

Internet Radio Linking Project

(Thanks to Tim Woodburn, W6TJW)

The Internet Radio Linking Project was started back in November of 1997 as an attempt to use the internet to link radio systems across Canada. The aim of this project was to link radio systems separated by long distance without the use of expensive leased lines, satellites, or controllers. The IRLP runs a large network of dedicated servers and nodes to offer the very best in voice communications. The heart of the IRLP is its Amateur Radio network which reaches hundreds of towns and cities across North America, and increasingly the world, linking them all with full dynamic range, telephone quality sound.

The first full-time link that was established ran from Vancouver, BC to Saint John, NB. The final product was a combination of hardware and software that created a nearly seamless radio link between two remote sites on the internet. The product works so well that many people can not believe that they are talking through a link at all!

The best place to go to get you started with this amazing communication concept, is the IRLP web site: www.irlp.net. There you will find a list of 379 nodes (the list is growing very quickly) and their locations around the world.

As President Richard mentioned in our last newsletter, there is a 70 cm node in Auburn, hosted by Jeff Hillard. Listen in on 444.500. PL 94.8. After accessing the repeater, you can command a link to a node on the list. This weekend, I chatted with a ham at McMudo Station, Antarctica over this repeater, using a 5W HT!

The procedure is easy; while holding the PTT down, enter the 3-digit node number from the list, followed by a zero to bring the link up. It's best to wait a few seconds after the link comes up to make sure there is not a QSO in progress. Identify yourself and monitor for traffic. Most all the links have an inactivity time out, but if you're leaving the link it's best to drop it. Simply reenter the node number, followed by the number one.

What an interesting twist to our fascinating hobby. That tiny dual-bander hanging from your belt has just become a DX machine!

SFARC News Mirror Site Moves to a New URL

As a result of increasing difficulty with the previous ISP, the mirror site for downloading the SFARC News in both PDF and HTML formats has moved. You can now find it at <http://www.foothill.net/~andreaq/SFARCHome.htm>. (Note that case matters in the URL).

This change does not affect the Club's main website at <http://users.newworld.net/wingman/sfarc>. It also does not affect your editor's email address if you use k6dgw@arrl.net. His "real" address has moved to k6dgw@foothill.net.

Club 2m Net

At the February meeting, the members decided to explore the possibility of changing the time for the weekly 2m net, and asked for input from the members. Send your ideas to any of the officers.

Experience Two Field Days in One Year!

In a rare alignment of the planets and correlation with the calendar, in 2002, the WSER and Field Day are not on the same weekend. This year, Field Day falls on June 22-23, and the WSER on the following weekend, June 29-30. Thus, you can experience two field days in one year ... the first the traditional ham contest, and the second a public service event for hams and a contest for people who like to run all day and night through the forest.

There are 24 checkpoints (aid stations), each of which needs at least one voice radio operator. Those further downtrail operate for longer periods and can benefit from an additional operator in shifts. The NCS is located at the Overlook Park in Auburn, and has open shifts.

Basic requirement for operators is 2m and 70cm FM capability, although some of the checkpoints closer to the finish require only 2m. It often helps to have an additional person to assist, and family members are welcome in this capacity even if unlicensed. Checkpoint locations vary from very large and active (e.g. Foresthill), to quite small and remote. Access varies from paved road to not-so-paved trail that will bring tears to any 4-wheeler's eyes. Take your pick.

Visit <http://www.foothill.net/~andrea> and click on the WSER link for all the scoop, or email your editor at k6dgv@arrl.net.

**MAJOR SPONSOR OF
THE SFARC FIELD DAY!**

Notes from your Editor

The size of the SFARC News is constrained by what we can mail for \$0.34 (soon to be \$0.37!). With stamp and staples, it works out to a front page, six body pages, and the back page. Catching up on the board and meeting minutes is important for the membership, but did fill this issue fairly fast. Next issue, we'll have more room for member contributions.

Speaking of which, I have a contribution about "Why I'm A Ham," but managed to save it without the author's identity. If you wrote this, drop me a note at k6dgv@arrl.net, and tell me who you are. It'll be in next month's issue.

And, as President Richard has been mentioning, you can help the club conserve it's resources by receiving the SFARC news via e-mail. Just send me a note, and you'll begin receiving it in the ubiquitous PDF format each month, well before the USPS delivers to others.
